

SERIES 410

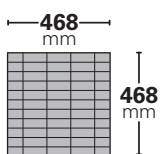

RELN Commercial Pit

RELN Series 410 Heavy Duty Commercial Pits are the perfect surface water pits for commercial applications including driveways and carparks.

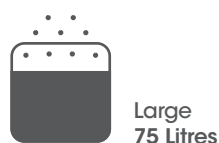

- **Durability** – Made in Australia from tough, durable, and lightweight UV stabilised recycled plastic
- **Lock down security** – Lock down security grate kits are available to secure the grate in place
- **Commercial surface drainage solution** – With a range of sizes and grate options, RELN Series 410 Heavy Duty Commercial Pits are ideal for driveways and carparks
- **Class A Load Rating** – Rated to Class A and when correctly installed in concrete, the grate can withstand light vehicle traffic
- **Environmentally friendly** – Made from 100% UV stabilised recycled plastic
