

SERIES 300 DEEP RELN Traditional Pit

RELN Series 300 Deep Traditional pits are the perfect surfacewater pits for domestic applications. Designed for large household surfacewater drainage to direct water away from the home.

- **Durability** – Made in Australia from tough, durable, and lightweight UV stabilised recycled plastic.
- **Easy to install** – RELN Domestic Traditional Pits are easy to install with an extensive range of convenient and security grates.
- **Domestic surface drainage solution** – With a range of sizes and grate options, RELN Series 300 Domestic Traditional Pits are perfect for pedestrian and light vehicle traffic.
- **Class A Load Rating** – Rated to Class A and when correctly installed in concrete, the grate can withstand light vehicle traffic.
- **Environmentally friendly** – Made from 100% UV stabilised recycled plastic.
